PRESCHOOLER PROGRAM HAS OPENINGS

Monroe County Executive Jack Doyle today announced that the Parks Department still has openings for the program, "ABCs of Parks," this October for children, ages 3 to 5. The program teaches preschoolers about the parks through Activities, Books and Crafts (ABCs).

"Teaching children in nature's classroom makes learning fun and sparks their interest in our environment," said Doyle. "We are fortunate to have such beautiful and well cared for parks in which to share with our young and also to use as an educational tool to jump start their learning."

A different theme is planned for each session every Monday at 10:00 a.m. in Ellison Park during October. The cost is \$5.00 per child (per session).

To register, call 256-4967. Ellison Park is located on Blossom Road off Route 590.
